

PAINT AN OWL

You need :

- Some paint
- Your hands
- A sheet of paper
- A pair of scissors
- A glue stick

First Step

Use a brush or your fingers to draw a tree trunk and the branches of the tree.

Second Step

Dip your hands in the paint and try to make an owl with your hands.

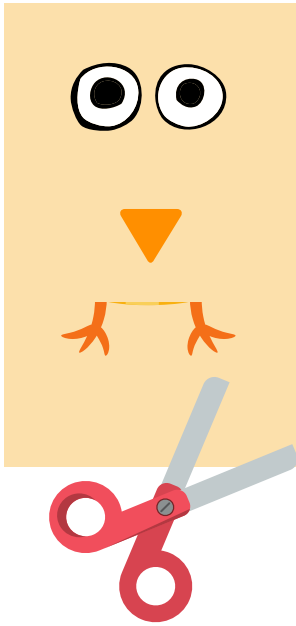

PAINT AN OWL

Third Step

On a sheet of paper you can draw the eyes, the beak and the legs of the owl.

Then you can cut them out and stick them on your painting.

Fourth Step

Add the eyes, the beak and then the legs to create the owl.
