

# April Fool's Day

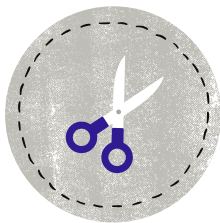

## You need :

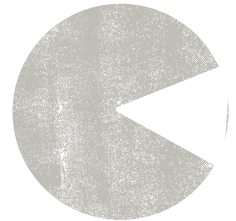

- some paint
- a pair of scissors
- a paper plate
- decoration elements

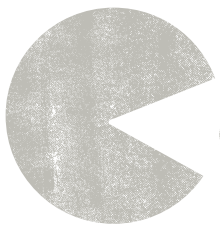

## First step

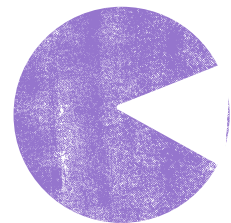

Cut a piece of the plate to create a mouth (cut it like a piece of cake)

## Second step

Paint the plate and let it dry.

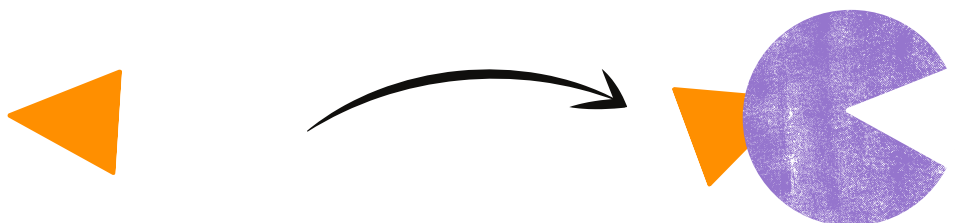

# April Fool's Day

## Third step

Glue the part you cut out to make a fish tail.

## Fourth step

Add some decorations to it.
